

## EFT Group Presentation Form

Date: \_\_\_\_\_

### EFT Nine Steps

*Step 1.* Creating an alliance and delineating conflict issues in core struggle.

*Step 2.* Identify the negative interaction cycle.

*Step 3.* Accessing the unacknowledged emotions underlying the interactional positions.

*Step 4.* Reframing the problem in terms of underlying emotions and attachment needs.

*Step 5.* Promoting identification with disowned needs and aspects of self; integrating these into relationship interactions.

*Step 6.* Promoting acceptance of the partner's experience and creating new interaction patterns.

*Step 7.* Facilitating the expression of needs and wants; creating emotional engagement.

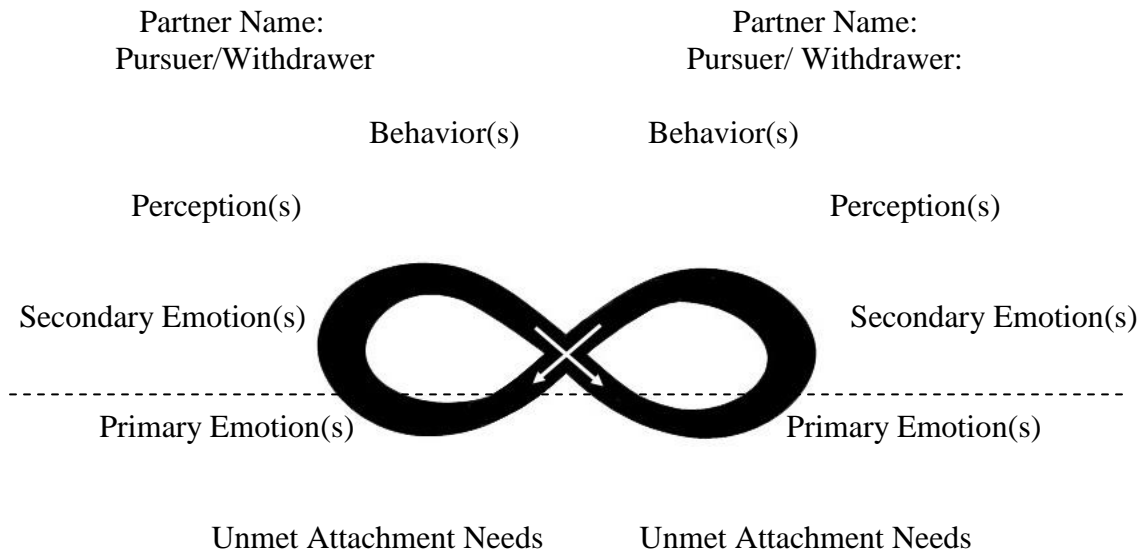

*Step 8.* Facilitating the emergence of new solutions to old relationship patterns.

*Step 9.* Consolidating new positions/cycles of attachment behaviors.
